Do NOT unload this to Mangahere !

Really ?

Yeah, after she joined Park Yuri, her grades dropped and had some issues with Bfe...

At one point, she started to skip classes and stayed in her room.

She used to be her room mate. I was told that her room was full of garbage...

It was bad, really bad.

After she moved out, she kicked few others out as well.

At one point, even dormitory officials gave up on her and let her use the room alone.

Then we saw her going around alone as if she had a fight with Yuri.

Because of them, the vibe wasn't nice in our lore 2nd year.

So, I am telling you this for your own sake. You should get out of that room A.S.A.P.

It's a miracle that you stayed for this long.

If she wasn't like that in the first place, maybe there was a reason?

Maybe she didn't change.

Maybe she was forced to act like that.

Wishful thinking I'd say.

Yeah, after all crap she pulled on us...

You are too good of a person, Cha Jin-Suk.

That didn't go well ...
